

British Values at Westlands

Rule of Law

- We have school rules and behaviours that we always try to follow, both in school and online.
- We have playground rules to keep us safe outside.
- We have rewards on Class Dojo to help us do the right thing.
- We have visits from people who help us - like the Police – so we know the rules outside school. e.g Road Safety.

Democracy

- We have a vote to elect members to the School Council.
- We take part in pupil voice questionnaires so we can have our say on things in school.
- We have opportunities to choose in our learning.
- We learn to follow rules and play within them in our playtime and in sports.

How do we promote British Values at Westlands?

Individual Learning

- We have opportunities to investigate and research topics in our learning.
- We have pupil choice homework where we can decide what project to take part in.
- We have personalised learning in school where we can work on things specific to us.
- We have opportunities to experience many different subjects and find things that we excel at.

Tolerance and Respect

- At Westlands we respect each other and treat everyone as equals.
- We respect and school environment, looking after our building and all the property inside it.
- We find about many different cultures and societies in our learning.
- We celebrate differences and understand that we are all unique.

Faith and Beliefs

- We celebrate a variety of religious faiths and festivals in our school.
- We visit local religious building to understand more about faiths and beliefs.
- We have visitors come into school to explain different faiths and religions.
- We learn about faiths and beliefs in our RE lessons.
